

**Bill No. 125 of 2021**

THE NATIONAL COMMISSION FOR INDIAN SYSTEM OF  
MEDICINE (AMENDMENT) BILL, 2021

A

BILL

*further to amend the National Commission for Indian System of Medicine Act, 2020.*

BE it enacted by Parliament in the Seventy-second Year of the Republic of India as follows:—

**1.** (1) This Act may be called the National Commission for Indian System of Medicine (Amendment) Act, 2021. Short title and commencement.

5 (2) It shall come into force at once.

14 of 2020. **2.** In section 58 of the National Commission for Indian System of Medicine Act, 2020, after sub-section (4), the following sub-section shall be inserted, namely:— Amendment of section 58.

48 of 1970. "5) Notwithstanding the expiration of the period for reconstitution of the Central  
25 of 2020. 10 Council under section 3A of the Indian Medicine Central Council Act, 1970, as inserted  
by the Indian Medicine Central Council (Amendment) Act, 2020, all acts done by the  
Board of Governors constituted under sub-section (4) of that section and all the  
powers and functions of the Central Council exercised and performed by it under the  
repealed Act, as amended by the Indian Medicine Central Council (Amendment)  
Ord. 5 of 2021. Ordinance, 2021, immediately before the commencement of this Act, shall be deemed to  
15 have been done or taken under the provisions of this Act and shall continue in force  
accordingly unless and until superseded by anything done or by any action taken  
under this Act."

## STATEMENT OF OBJECTS AND REASONS

The Indian Medicine Central Council Act, 1970 (48 of 1970), which was enacted to provide for the constitution of a Central Council of Indian Medicine and the maintenance of a Central Register of Indian Medicine and for matters connected therewith, has been replaced by the National Commission for Indian System of Medicine Act, 2020 (14 of 2020).

2. Prior to such enactment, and subsequent to the introduction of the National Commission for Indian System of Medicine Act, 2020 in Parliament, the Central Council of Indian Medicine had failed in its responsibilities and not cooperated willfully with the Central Government in carrying out its duties in the manner required to safeguard the standards of education and practice of Indian Medicine. Therefore, the Indian Medicine Central Council Act, 1970 (repealed Act) was amended *vide* the Indian Medicine Central Council (Amendment) Act, 2020 (25 of 2020) to empower the Central Government to supersede the Indian Medicine Central Council and to constitute the Board of Governors to exercise the powers and to perform the functions of the Central Council under the repealed Act till the Central Council was reconstituted within a period of one year.

3. Though the National Commission for Indian System of Medicine Act, 2020 was enacted on the 20th September, 2020, the National Commission for Indian System of Medicine could not be set up immediately under the said Act since the appointment and nomination of Members of said Commission and recruitment of staff for the Secretariat to the Commission was taking some time. Moreover, the Indian Medicine Central Council Act, 1970 had not been repealed. As the Board of Governors was in the process of conducting inspections for the academic year 2021-22 and its tenure was coming to end on 23rd April, 2021, there was an immediate need for legislation to further extend the period for reconstitution of the Central Council from one year to two years. Therefore, the Indian Medicine Central Council (Amendment) Ordinance, 2021 (Ord.5 of 2021) was promulgated on the 22nd April, 2021 to achieve this end.

4. The National Commission for Indian System of Medicine was constituted on the 11th June, 2021 and on the same date, the Indian Medicine Central Council Act, 1970 was repealed and the Central Council of Indian Medicine was superseded. Though a decision was taken that subsequent to the repeal of the said Act, it is not appropriate to move a replacement Bill before Parliament to replace the aforesaid Ordinance, nevertheless, the actions taken by the Board of Governors under the said Ordinance up to the date of repeal of the said Act are required to be saved.

5. Therefore, it is proposed to amend the National Commission for Indian System of Medicine Act, 2020 to insert a new sub-section (5) in section 58 thereof, to provide that all acts done, and all the powers and functions of the Central Council exercised and performed, by the Board of Governors under the repealed Act, immediately before the commencement of the National Commission for Indian System of Medicine Act, 2020, shall be deemed to have been done or taken under that Act and shall continue in force unless and until superseded by anything done or any action taken under that Act.

6. The Bill seeks to achieve the above objects.

NEW DELHI;

SARBANANDA SONOWAL.

*The 4th August, 2021.*

## FINANCIAL MEMORANDUM

The provision of the Bill does not involve any expenditure of recurring or non-recurring nature from the Consolidated Fund of India.
